

A Message from the Chairman

Frank Savage CMG, LVO, OBE

I hope that you will take a few moments to look at this invitation to join The Friends of the BVI, who are based at BVI House in Upper Grosvenor Street in the heart of London.

The Friends are a group of informal "Ambassadors" for the BVI who share a link with the BVI through strong personal, business or economic ties. Our aim is to support and promote the BVI and its Community in the UK, and internationally, and to lobby on its behalf when called upon to do so. One of our important aims is to support BVI charities and BVI students studying in the UK.

I hope that you will consider joining The Friends and I look forward to welcoming you at one of our regular Members' evenings or at the BVI National Day Reception in early July each year.
